The only dedicated Pizza, Pasta and Italian Foods Industry Exhibition & Conference in the UK, in association with PAPA – The Pizza, Pasta & Italian Food Association.

A truly unique opportunity for industry suppliers to promote their products and services to a targeted international audience in a central London location.

For the past 12 months, we have researched the need for, and viability of, an international event held in the U.K. The industry's undoubted response was, and continues to be, overwhelming. We believe this response is partly because of the support from the relevant trade associations, partly because of the venue and the appeal of London, but equally important, the quantity and quality of visitors and speakers we are inviting.

With an anticipated 150 exhibitors and approx. 3000 visitors, Pizza & Pasta Expo will do more to advance your business in 2 days than multiple trade shows and conferences can do throughout the year. Pizza & Pasta Expo is the only event you need to attend in 2005 to meet your needs of selling to the Pizza, Pasta & Italian Foods Industry in Europe.

Exhibitors and Delegates alike benefit from the whole experience, meeting new contacts, seeing the latest systems, solutions and techniques, learning about trends and developments and networking with industry colleagues. And, having fun in the heart of London's West End!
