

The best, most central venue in UK

Situated in the heart of London West End, Olympia is the most central venue of any city in Europe. Easy to get to by Road, Rail, Tube and Air.

For Pizza Pasta Expo 2005 exhibitors and delegates alike, coming from all over the UK and beyond, Olympia is the natural choice of venue.

And with completely upgraded and modernised facilities, it is the perfect venue for a conference and exhibition of this kind.

But, space is limited, and will be offered on a first-come basis !
